The Tales of Light and Dark - Saturday

11:30AM-1:30PM

Oye! Come all ye silvered-tongued bards, and bring
your war songs with you and try your latest out on a
circle of kinsfolk and inviting ears. Bring forward

your songs of light, encouraging and honoring our
brave warriors of the East as well, or taunting and
crushing the morale of our enemies. Also bring forth
your dark tales that happen after the sun sets, be it
tales of festivity, merriment or simply “this will make
an excellent story” events and situations.

A few housekeeping rules to be mindful of: Each
piece performed should be no longer than four to five
minutes, regardless of the format (song, poem, story,
etc); all songs should be mindful of a PG audience
(for the daytime bardic, see below for evening bardic);
a signup sheet will be available at the start of the
bardic session, you can enter a piece per round, which
will vary in length by the amount of performers
available. You may sign up to perform one piece per
round; ice water with lemon will be provided by the
hosts, and if the facilities allow for it, hot water and
tea as well. We ask that if you are dismissing yourself
from the circle, that you do so in between
performances. It is recommended to bring a comfy
chair with you.

Fire Pit Bardic - 9PM-Whenever the last performer
calls it quits (Dark)

Held in the evening hours once the sun has completed
scorching the lands for the day, we will host a
no-holds bard (spelling puns are fun!) bardic circle.
All of the previous housekeeping rules apply, except
for one - the PG rating goes away. Sign- up sheets
will be available with multiple rounds. Legend has it
that you can't make a Carillonite blush, so bring your
raunchiest tales and tunes!

For questions regarding the bardic events at Southern Region War Camp, contact Kieran the Rouge - kierantherogue@gmail.com

Archery Range:

Will be available all day Saturday. Full Pennsic practice will be available.

POOL:

The pool will be open after 1:00PM for most of the afternoon. Please check with troll for the precise time it will be open.

Fencing:

11:30 AM

To dust the rust off of some weapons forms and to encourage authorizations, The Barony of Carillion will be holding a Challenge of Arms bear pit tournament. Combatants will start with single and work their way through forms that they are authorized in. The order will go single, dagger, buckler/rigid, case, two-hander, cloak/soft. Once a combatant has been defeated they will move to the next weapons form. If a combatant isn't authorized in a particular form, that form will not be offered for them to compete with. Example: if a combatant has 4 out of the 6 authorizations they have 4 deaths before they are out of the tournament.

1:00 PM

Pennsic Rapier Champions Qualifier Tournament

Want to make it on the Pennsic Rapier Champions Team? Now's your chance!

One of a series of tournaments across several events, the results from this will help determine the makeup of this year's team. (Though anyone can fight in the tournament, you'll be asked if you plan on attending Pennsic and want to make the team.) Double elimination. Bring your best weapon form. Each pass will be fought once, though double-kills will be refought so as to make the tournament as clean as possible. Nothing strange or fancy here. Note that we have fewer champs slots this year than most years, so winning a tournament does not guarantee a spot on the team.

Host: Don Lupold Hass

Throwing Weapons:

Will be available all day Saturday.

Heavy Fighting:

Inspections start at 10AM Saturday!

Woods! Nothing going on here! Leave the wood and start the march across the meadows.

Through the fields and over the bridge to get to the castle.

Now that's a rough trip!

Fight your way through the fields until you get to the bridge! Once you have fought your way over the bridge you find yourself stopped by a wall and must fight your way past the wall!

Scenario being created by Duke Gregor.

Arts and Science Table:

Display the results of your skills.

We are anticipating expanding artisan row.
