Demo in the Keep

Hail All Ye Good Gentles!

As you may have heard by now, the 2005 summer reading theme of the American public libraries is "Dragons, Dreams and Daring Deeds". To that end, The Canton of the Keep By the Endless Sea will be holding a demo for the children of the Tinton Falls Public Library at 430 PM on Wednesday, June 29. We will be showing a myriad of "medieval" activities, amongst these a sweetmeat sampling by Lady Zoe Anastasia, several period dolls by Lady Lilly of the Valley, a needlework exhibit by Lady Katriona, a demonstration of sword and board fighting, (hopefully) demonstrations of fencing and thrown weapons, and I would love to hear from some more of our talented Scadians who wish to share their knowledge with the children.

All are welcome to come; please wear garb, and be prepared for questions!

The library is located at 664 Tinton Avenue, Tinton Falls NJ 07724. Take your best route to Parkway Exit 105. At the light (Hope Road and Rt. 36) take the jughandle to make a Left (north) onto Hope Road. Make a Left at the 3rd light (Tinton Ave). At the light bear Right. Library is small house on the left, surrounded by the buildings and parking lots of the Tinton Falls Middle School.

Keep Seneschale

Hello to our great populace of Carillion, Keep by the Endless Sea, Forestgate, and our great East Kingdom.

The Arts and Science table at West Windsor was a great success. In spite of the damp and showery weather. We had some beautiful bobbin lace that was done by Lady Estella de los Confinos, she showed 6 pieces she made. Lady Sarah Elizabeth dubh Sidhe demonstrated and showed her lace bobbin work for all of us. My deputy Katrona MacDomhnuill showed her black work, and played her harp. LadyRichild showed her period Quilting, while Lady Rua played her Dulcimer. Lord Rupert the Unbalanced showed his hand made arrows. Lady Marian De Lacy showed her beautiful illuminations. I showed the River Rock doll, clay doll, & my illuminations. We had a new Artisan from another Barony who showed us his gem carvings he, but didn't leave his name on our sheet. I want to thank everyone who helped at the Arts and Science Table! Thanks a Million.

There will be a sew-fest on making a Chemise taught by Lady Meghan O'Donnel on June 5th from 11 am to 4:30 pm. We never know how many Chemises we may need for Pennsic and other events in case they get wet or muddy. You can also work on your armor, weapons, and make archery repairs. If you want to practice Fencing, Fighting, or thrown weapons -and have a marshal with you- come on out. If any one wants to make or bring something yummy please do. I hope every one can come.

We will also be having a "get ready for Pennsic"-fest on July 10th from 11 am to 4:30 pm. Air out your tents, seek holes, and fix or repair other malfunctions. You can repair and make garb, repair armor, arrows, & make things out of wood. There is plenty of room to put up tents. I hope you can come and have fun with us.

In service,
Lady Lilly of the Valley
MoA&S, The Barony of Carillion and my deputy MoA&S of The Keep by the Endless Sea, Katriona Mac Dhomhnuil
